

BB Newsletter #4

Oct. 18, 2019

Dear parents,

We want to thank you for all your great work from the beginning of the school year. Thank you for following our advice and for the great communication between the families and the teachers. Now we have a confident Brown Bear group. They are looking forward to meeting their pals and they are ready to have fun and learn!!

This Week

The beginning of October has been very busy. The Brown Bears are quickly growing and learning a lot. We are so proud of them! They can put their shoes on by themselves almost perfectly, they are using the toilet like big bears, and they are very rapidly becoming independent. They can sit nicely and listen carefully at storytime, choose a toy they want to play with for awhile and pay attention to the instructions to make a craft.

They are weather experts! Sunny, cloudy, windy, snowy and rainy. Yes!! They can tell you what the current weather is very well.

The Brown Bears really enjoy our music lessons. They love their music teacher Mrs. Kyra. They sing and dance together and their relationship with her is lovely.

These past two weeks we have learned about the things that fall in the fall. We picked up the leaves in the garden and used them for a craft to make the caves for our bears a little warmer. We went for a little walk outside, which our bears loved, and picked up chestnuts, that we later used to practice counting. We made an experiment with water. We now know that some things can float and others just sink.

Boats float and they takes us though the seas and rivers. We made one so we can dream were it can takes us!

We also learned about how the animals prepare themselves for the winter. We helped our farm animals get ready for the cold weather approaching. We prepared our farm with cotton and cloth so they won't get cold. We also learned how to wear our clothes properly so we don't get cold either.

We made cute mittens and we stamped ours hand. It says our name and year :))

Reminders

- Show and Share Day is every Tuesday and each BB can bring their favorite toys and share them with the rest of the bears. They love it!!

Please bring...

- We are actively preparing the Thanksgiving performance. We will need a black T-shirt and pants for the costume

We wish you a lovely and wonderful midterm break,

Ms. Marta and Ms. Bahar
