
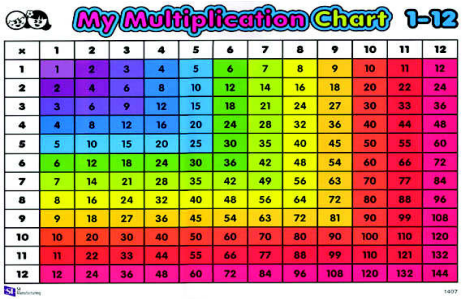
There are many things we are excited about this week!

First things first. We have started a new Social Studies project: Early Explorers. The children also took home the new project details with their homework folder last Friday.



×	1	2	3	4	5	6	7	8	9	10	11	12
1	1	2	3	4	5	6	7	8	9	10	11	12
2	2	4	6	8	10	12	14	16	18	20	22	24

12	12	24	36	48	60	72	84	96	108	120	132	144

Second, we have been practicing counting by 2s, 5s, 10s, and 11s. Soon, we will discover the beauty of multiplication and division and how they are related.

Third, we have also been exploring negative numbers. The children learned how negative numbers are important and used in everyday life.

Fourth, as we have been in school for a month, it is time for a class president election. The children are excited to participate in the program. In Character Education, the children explored ways they can be a leader. Children voted Nikita as our class representative and Anni as his assistant.

Last but not least, I have recently learnt our part in our annual Thanksgiving show. I will talk to the children on Monday and we will start practicing our choreography. We will discuss our costume and let you know soon.

Reminders

Good job to great readers who regularly log on to RazKids and complete our reading target as well as those who read on their own. I have added interesting non-fiction books to their Assignment. They should be about the children's reading level and theme related. Keep up the marvelous work!!!

Have a great weekend, Ratchanee
