POLAR BEARS

Teacher's Corner:

The Holiday is almost here!

We have been busy "baking" Christmas cookies, singing songs at the square under the Christmas tree and making many faces smile.

Our Polar Bears have been counting down the days till the party. We opened one surprise package every day and reflected on if we were kind to each other that day.

We wish you a lovely Holiday time, enjoy it with your family and loved ones.

See you in January!

Ms. Katarina & Mr. Agnar

- Snow and Ice

What we're Learning

- The new letter we learned is "M"
- We exercised our fine motor skills making many crafts- painting on canvas and making a reindeer, cutting out the clay cookies and decorating them, and making our snowflakes.
- We learned some songs for the Party:

Little snowflake
